Dear Parents

On behalf of the entire APS family I extend warm greetings to all my dear students and parents.

As you are all aware that we are going through a global crisis due to COVID-19, which has adversely affected our daily lives.

The disease has no cure as of date and the only way to defeat it is by means of prevention.

Kindly follow all social distancing norms as issued by the Government of India. Strictly follow the lockdown measures that have been put in place for our own safety.

During this time, where we have all been confined to our homes is a golden opportunity to spend time with our families and strengthen our ties to them.

To my dear students I urge you to not neglect your academics. Cooperate with your teachers, who are trying their best to ensure your education is not interrupted.

I would like to conclude by saying that these are very hard times that we are going through. It will test our character and our strength of will. But I also believe that together we will win and we will prevail.

Jai Hind  
Jai Bharat  

Dr Saksham Singh
